Sinonimo di eleganza e lusso senza tempo, somma armoniosa di elementi apparentemente dissonanti, i prodotti di design firmati da Lorenzo Bellini si accompagnano a qualsiasi ambiente di lusso donandogli carattere.
"Ho concepito questa collezione come interpretazione in chiave contemporanea di forme appartenenti al passato mixate con elementi minimali: dalla sinuosa e dinamica bocca di erogazione di ispirazione anni '40, alle rigorose manopole a croce dalle linee essenziali. La silhouette che ne deriva è dinamica e moderna, al tempo stesso fuori dagli schemi e lontana da tendenze o mode, come accade per tutti i miei progetti."

Synonymous with elegance and timeless luxury, harmonious sum of seemingly dissonant elements, design products designed by Lorenzo Bellini accompany any luxury environment giving character.
"I designed this collection as a contemporary interpretation of the forms of the past mixed with minimal elements: a sinuous and mouth dynamics of inspiration years 40s delivery, the strict knobs cross with clean lines. The silhouette that comes out is dynamic and modern, while outside the box and away from trends or fads, as with all my projects."
